Hamilton Laboratory Solutions Announces Exclusive Representation with HamiltonLab-NJ

February 19, 2018 – Hamilton Laboratory Solutions, based in Manitowoc, Wisconsin announces exclusive representation throughout the Mid-Atlantic region with HamiltonLab-NJ delivering renowned Hamilton laboratory furniture and fume hoods to the education, healthcare and industrial markets. HamiltonLab-NJ is led by Vice President Steve Grillo, who has more than 30 years' experience in providing market leadership, exceptional customer service and project solutions to the markets served.

As a dedicated dealership for Hamilton products, HamiltonLab-NJ provides design assistance, products and services for renovation, and new construction projects. "We are pleased to have the opportunity to represent Hamilton Laboratory Solutions, meeting client's requirements both large and small," said Steve Grillo.

Hamilton Laboratory Solutions President/CEO Steve Pribek expressed his appreciation for the foundation of HamiltonLab-NJ. "We are proud to identify them as an exclusive dealership in the Mid-Atlantic region where they will enhance the offerings we provide. Steve Grillo has a strong background in the very markets and products we feature, therefore this business development is seamless."

Hamilton Laboratory Solutions is a global industry leader offering the most comprehensive selection of products in laboratory furniture and fume hoods. The company's manufacturing locations include Manitowoc, Wisconsin and Shanghai, China. For more information visit www.hamiltonlab.com.
